

“I wandered lonely as a cloud” worksheet

Answer the following questions with suitable evidence from the poem

1. How is the narrator feeling at the start of the poem?
2. How does the poet make the scene seem colourful?
3. How does he make the scene seem full of life and energy and movement?
4. How does he emphasise that there are masses of daffodils in the scene?
5. How does he make Nature sound like a living thing?
6. What effect does the scene have upon the narrator- in what way is he different after seeing it compared to how he felt at the start of the poem?
7. Look at the last verse- how do we know this experience has had a lasting effect on the narrator?
8. What do you think the poet means by the phrase “inward eye” in the last verse?
